

## ARIZONA DISABLED SCUBA DIVERS FOUNDATION

### ACKNOWLEDGEMENT OF GOVERNING POLICIES

#### Overview

The Arizona Disabled Scuba Diving Foundation's ("ADSDF") believes in maintaining the highest standards for personal and corporate behavior. To this end, ADSDF has adopted a series of policies that are used to guide conduct within ADSDF. These policies apply to everyone associated with ADSDF at all times, and everywhere ADSDF is represented. These policies can be found at [www.azcandive.com](http://www.azcandive.com) and include:

- Code of Conduct
- Conflicts of Interest
- Compensation
- Expense Reimbursement
- Fundraising
- Whistleblowing
- Document Retention

All persons associated with ADSDF are expected to comply with the governing policies, as well as the spirit of those policies, as each individual's actions as an ADSDF volunteer, Board member, employee, or any individual associated with ADSDF reflect on the organization as a whole.

If a question ever arises regarding a policy, please ask any Board member for assistance.

#### Acknowledgement

I have reviewed the policies of ADSDF and agree to abide by the terms outlined in those policies.
